

This comment is in regard to LPFM stations possibly replacing K-LOVE radio.

K-LOVE currently serves my community by providing Christian broadcasting that is a large part of my life.

There are many people in this town that listen to K-LOVE and it would be a tremendous loss if the current FM translator was replaced with LPFM.

K_LOVE broadcasts Christian music and inspirational messages that are very important to this community. Many people are not able to attend church on a regular basis and K-LOVE is their only source of worship.
